We are delighted that young people under the age of 16 are joining Wired4Music. We endeavour to ensure that we meet in spaces where you will find facilities where you can wait while your child takes part in the session. By signing this form, you are consenting to the following:

1. Sound Connections will ensure that all reasonable steps are taken to establish a safe environment where young people can enjoy themselves.
2. Parents/carers are not required to stay during the session. You must however always be contactable during sessions.
3. Young people are expected to remain in the session from beginning to end unless they have to leave early. If the young person has to leave early or is being collected by someone other than the parent/carer, the parent/carer must advise the Wired4Music Coordinator of the details of the arrangement, including who will be collecting the member.
